Proposed 28th Amendment to the US Constitution:

“All People have the right to secure their Health in the manner they choose. Congress, the President, State Legislators and Executives, Governmental Agencies and Departments shall make no law, rule, regulation, countermeasure, executive, or emergency order that impedes the Individual's right to informed consent, nor medical choice, nor freedom of medical choice. Nor shall the President, Congress, State Legislatures and Executives, Governmental Agencies or Departments make any law, rule, regulation, countermeasure, executive or emergency order that impedes the Individual's right to medical privacy without the judicial warrant supported by Oath and affirmation of necessary cause to protect Society from Harm describing the Individual's condition and danger it presents.”
